IMPORTANT NOTICE:
All work completion will be noted in the Student Planner in addition to the Homework stated above. Work completion results from absenteeism and incomplete classwork during the day. Please make sure to check and sign the Student Planner daily.

Though students are provided with enough time to note down homework and work completion in the Student Planner, we request that parents encourage their children to participate in this process too. Educators write the homework on the board before the lesson and, thus, students must copy the same in their Student Planner.

JACARANDA INTERNATIONAL
PRE-PRIMARY AND SCHOOL

Subject: English

English language- This week, learners explored the unit topic "Friends and Family" and "Badges" through various engaging activities. Learners reflected on their written stories, identifying language features like adjectives, speech marks, and exclamation marks. They edited and improved their writing, focusing on clarity, spelling, punctuation, and handwriting. Discussions on learning styles and preferences helped learners identify how they work best with others. The class explored instructions, recognising diverse types (words, pictures) and practising clear communication.

English phonics Learners explored phonics, focusing on 'ee' and 'ie' sounds. They practised blending, reading, and using words like "see", "tree", "pie", and "tie" in sentences.

English grammar and writing

Learners explored personal writing, focusing on recounts and adjectives. They identified describing words, used comparative adjectives, and practised first-person writing. Activities included describing the teacher, sharing race experiences, and building a class recount. Key vocab like "adjective", "recount", and "first person" were highlighted.

English Reading

Learners enjoyed "The Green Tree Adventure" and "Sam and the Flying Pie", exploring themes of friendship, nature, and imagination. They likely discussed story elements like characters, settings, and plot, developing comprehension skills.

Classroom Access
To ensure that our learners begin each day in a calm and focused environment, we kindly request that parents do not enter classrooms from 07:30 until the end of the academic day. This helps us to avoid disruptions during morning meetings, registration period and valuable learning time.

Should a parent wish to meet with an educator, we encourage you to do so before 07:30 or after the school day has concluded.

After-School Collection
We kindly remind parents that learners who are not enrolled in aftercare or participating in sport on a given day must be collected by 15:00. This ensures smooth daily operations and helps avoid late collection penalty fees.

Tuck-Shop Menu 2026
We are pleased to share the tuck-shop menu for 2026, offering a variety of fresh and wholesome options to suit every taste. **Tuck shop menu 2026.pdf**
